21 June 1955

Dear Charlie:

I enjoyed your report of 15 June, following your talk with [redacted]. He called me up just before leaving for Europe and gave me the latest reading on his view of the investigating committee's report which corresponds to what he told you.

I am still hoping to get away in August and look forward to seeing Jayne and you in case my plans work out as expected.

Sincerely,

Charles B. Wrightsman, Esq.
